

Keeping Your Kingdom Kid Safe

General Safety

- All volunteers are thoroughly screened. Volunteers over 18 complete a background check and training in addition to a detailed application.
- Motion detection cameras are installed and functional in all children's rooms.
- Volunteers are not permitted to be in a room alone with one child at any time.

Safety Related to Spread of Germs

- All rooms are thoroughly cleaned between use.
- All volunteers and children wash or sanitize hands upon entering classroom.
- Strict adherence to a sick policy for volunteers and children is maintained.
